REMARKS

The foregoing amendments and remarks are directed to formalities, in order to move the above-referenced patent application to issue. Entry of this paper is respectfully requested.

Remarks to the Claims

In claims 8 and 9 the phrase "ingress controller" was replaced with the phrase "fabric element", in accordance with the agreement reached with the Examiner in a telephonic interview on April 4, 2005.

As discussed with the Examiner in the telephonic interview, the phrase "fabric element" is consistent with the language of the specification, and more clearly defines the subject matter, which applicants regard as the invention.

It is respectfully asserted that the above amendment does not add new matter. Approval is requested to the above amendment.

Comments on Statement of Reasons for Allowance

Applicant would like to thank the Examiner for the allowance of the subject application based on lack of certain teachings in the cited prior art references.

Without forming an opinion regarding the analysis of the cited prior art in the "Statement of Reasons for Allowance", Applicant agrees, without prejudice, that the distinctions enumerated in the "Statement of Reasons for Allowance" provide sufficient basis for allowance of the application. However, it is respectfully submitted that there may be

additional distinctions between the present invention and the cited prior art not explicitly addressed in the "Statement of Reasons for Allowance".

Applicant would like to point out that the prior art of record alone or in combination does not teach nor fairly suggest the system recited by claim 1.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.

Please charge any fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,
